Book of Graceable Heraldic Art > Jun 14, 2024 Germs of use and digital files at Heraldic Art.org

A dense block of metal with a handle that could be warmed on a stove and used to flatten wrinkles out of fabric.

Default orientation: handle to chief. No proper coloration.

Source: A Display of Heraldry. Artist: John Guillim. (Manuscript folio 105v.) Adapted by Iago ab Adam.

Iron, Pressing 15.134
